

CHIRAG PRAJAPATI

Full Stack Developer

+91-8103922092 • cp920848@gmail.com • [GitHub](#) • [LinkedIn](#)

SUMMARY

Enthusiastic full-stack developer with hands-on experience building user-focused web applications using the MERN stack as well as Node.js/Express with EJS. Proactive learner dedicated to writing clean code, implementing authentication systems, and improving user experience through practical projects and internships.

SKILLS

Frontend: ReactJS, EJS, TailwindCSS, Bootstrap, HTML/CSS, JavaScript

Backend: Node.js, Express.js

Database: MongoDB

Tools: Git, GitHub, VS Code

Core CS Concepts: Data Structures & Algorithms, DBMS, OOPs, Operating Systems, Computer Networks

EXPERIENCE

Java Full Stack Developer Virtual Internship

Institute of Technology and Management, Gwalior

10/2024 - 12/2024 | Remote

- Learned Java, OOP, Collections Framework and Exception Handling
- Developed Java-based applications and improved debugging skills
- Practiced backend development fundamentals and software design concepts

PROJECTS

Personal Portfolio Website (Full Stack)

MongoDB, Express.js, ReactJS, Node.js (MERN)

- Built a full-stack personal portfolio to showcase skills, projects and resume
- Designed a responsive React frontend with dynamic content rendering
- Built REST APIs with Express.js and Node.js backed by MongoDB for data storage

Social Media Mini Project

Node.js, Express.js, EJS, MongoDB (server-rendered, no React)

- Built a social media web app using Node.js, Express and EJS templating
- Implemented user authentication with account creation, login and logout
- Enabled profile photo uploads and post creation/uploads on user profiles
- Designed server-rendered EJS views for dynamic profile and feed pages

PassOP – Password Manager (Full Stack)

ReactJS, Node.js, Express.js, MongoDB, TailwindCSS

- Built a secure password manager with CRUD functionality
- Implemented authentication and encrypted password storage
- Developed REST APIs and responsive UI using TailwindCSS

TaskForge – Task Management Web App

ReactJS, JavaScript, TailwindCSS

- Developed task management features including add, edit, delete and status updates
- Managed real-time UI rendering using React state management
- Improved frontend responsiveness and usability

KEY ACHIEVEMENTS

- ◆ **Web App Launch** — Built and launched two web apps reaching 1,000 users within three months.
- ◆ **Internship Team Leadership** — Led a virtual internship team and completed five projects successfully in three months.

EDUCATION

B.Tech in Computer Science

Institute of Technology and Management (ITM), Gwalior

09/2023 - 05/2027

Relevant Coursework: Data Structures & Algorithms, DBMS, OOPs, Operating Systems, Computer Networks, Computer Architecture
